Dear Mr Luigi Bellofatto

Eastern Bechtel Company Limited (EBCL) would like to take this opportunity to sincerely thank Skema Spa for its level of cooperation and its proactive efforts in support of the OGD-III Project.

Particular gratitude is extended to Skema's personnel who have had involvement in the subject Purchase Orders.

I appreciate all aspects of Skema's performance, and in particular:

- your team's efforts in turning around accurate engineering documentation in a timely fashion,
- Skema's pro-activeness in dealing with third parties,
- Skema's flexible and adaptable manufacturing approach to accommodate EBCL's construction priorities, and
- Skema's swift clear communication with EBCL's OGD-III Project team and the overall quality of Skema's work product

Skema's approach to the OGD-III project has been most professional at all times and its high calibre performance has been noted.

EBCL hopes it can rely on Skema's continued support and quality performance for any possible future projects.

Yours sincerely

Terry Bailiff
Project Director, OGD-III
